I hereby assign and authorize my insurance carrier including Medicare, other government sponsored insurances of which I may be covered and/or all commercial payors to make payments on behalf directly to Skin Wellness Physicians. Medicare Authorization

I request that payment for authorized Medicare benefits be made on my behalf to Skin Wellness Physicians (SWP) for any services furnished to me by providers of SWP. I authorize SWP to release to the CMS and its agents any information needed to determine these benefits payable for related services.

Medicare is not always the Primary Insurance. Federal regulations REQUIRE that we obtain information to determine if another insurer may be primary to Medicare;

FINANCIAL POLICY

Understanding your financial responsibility is an essential component in establishing and maintaining a strong patient/practice relationship. To achieve this, we offer the following information regarding our insurance and financial policies.

Your insurance is a contract between your insurer and you. It is your responsibility to know and understand the terms, guidelines and limitations of your plan. It is also your responsibility to advise us of any changes in your insurance, your address or your employer.

Medicare & Contracted Insurance Plans

If you are on traditional Medicare or are a member of a health plan we participate with, we will submit your claim to your insurance company. Our staff will verify your benefits and collect any co-payment, coinsurance and/or deductible, or any non-covered services at the time services are rendered.

Secondary/Supplemental Insurance Plans

We will file your secondary claims as a courtesy. If your secondary insurance has not paid us within 30 days, the balance will become your responsibility.

Non-Contracted Insurance Plans

If we do not participate with your insurance carrier, we will give you a form to attach to your claim for direct filing with your insurance carrier. Payment in full is required at the time of service.

Medicaid

We are not contracted with any Medicaid plan. Medicaid patients seeking services are responsible for payment in full at the time of service.

Minors

A parent or legal guardian must accompany all patients under the age of 18 to authorize treatment and financial arrangements. We can submit the charges to an absent parent's insurance only with a signed permission from the policy holder. The parent presenting the child for care is responsible for payment at the time of service. Any patient over the age of 18 will be financially responsible for all charges incurred.

Cosmetic Services

Patients are financially responsible for all cosmetic procedures at the time of service. This office does not bill insurance companies for cosmetic procedures.

(Continued on back)

Cancellations & No-Show Appointments

Missed appointments represent a cost to us, to you, and to other patients who could have been seen in the time set aside for you. Cancellations must be made 24 hours in advance of the scheduled appointment. Office appointments, cosmetic and/or Procedure/Surgery appointments which are cancelled with less than one business day notice, may be subject to a **\$50.00** cancellation fee.

Patients who do not show up for an appointment without a call to cancel will be considered a **NO SHOW**.

Patients who No-Show two (2) or more times in a 6-month period, may be dismissed from the practice thus they will be denied any future appointments. Patients may also be subject to a **\$50.00 No Show fee**.

The Cancellation and No-Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment. We understand that special unavoidable circumstances may cause you to cancel within 24 hours. If you reschedule within 24 hours, fees in this instance may be put towards your service or waived but only with management approval.

Medical Records

Medical records requests and/or completion of documents (e.g. disability, life insurance, cancer policy, etc.) are subject to fees determined by state law and contractual agreements. Medical records requests require time to be processed and cannot be provided the same day requested.

Collection Fees

You agree to reimburse fees of any collection agency, which may be based on a percentage at a maximum of 25% of the debt, and all costs and expenses, including reasonable attorney's fees, which we may incur in such collection efforts.

Returned Check Fee

A \$25.00 fee will be added to your account balance in addition to the amount of the check which has been returned for insufficient funds. This total must be paid by cash or credit card within 7 days.

Pathology Fees

Depending upon specific factors, your provider may send a specimen to an outside lab for slide processing and interpretation. In those cases, patients or their insurance company will receive a bill from an outside lab.

Benign Lesions

Patients are financially responsible for the removal or treatment of all benign skin lesions unless they have met certain clinical criteria, including, but not limited to change in quality or character, increase in size, pain, or bleeding. Billing insurance for such circumstances may represent fraud.
